Program - Bachelor of Education (B.Ed.) program

Overview:

The Bachelor of Education (B.Ed.) program at Mumbai University is designed to prepare aspiring educators with the knowledge, skills, and competencies required to become proficient teachers in various educational settings. This comprehensive program equips students with a strong foundation in educational theory, pedagogy, and practical teaching experiences, enabling them to make a positive impact on the lives of future learners.

Program Structure:

The B.Ed. course follows a well-structured curriculum that combines theoretical learning with hands-on experience. The program duration is typically two years, divided into four semesters. Throughout the course, students will engage in a wide range of subjects covering topics such as educational psychology, curriculum development, teaching methodologies, classroom management, assessment and evaluation, inclusive education, and educational technology.

Key Features:

1. **Expert Faculty:** Our esteemed faculty comprises experienced educators and scholars who are dedicated to nurturing and guiding our students in their journey to becoming competent teachers.

Practical Training: As part of the B.Ed program, students will undergo extensive practical work.
